## A Personal Message from the Deputy Director

Dear Friends of the Mint:

Our 1991 catalogue celebrates the rich scenic beauty of America's landscapes as our collection of coins and medals celebrates the spirit and heart of the Nation itself.

I urge you to order something you've had your eye on and add it to your collection. You may also want to give a coin set or medal to a friend or relative this holiday season, or introduce a young boy or girl to the fun and adventure (not to mention historical enrichment) of collecting.

This year's catalogue is a tribute to the wealth of America's natural beauty and noble spirit. I hope you enjoy it.

Sincerely,

A handwritten signature in cursive script that reads "Eugene H. Essner".

Eugene H. Essner  
Deputy Director of the Mint
